Career Objective

Computer Science student with strong problem-solving skills (DSA/CP), hands-on web/app development experience, and solid foundation in OS, DBMS, and OOPs. Seeking Product Intern / MTS role to apply engineering skills in scalable software development.

Education

B.E. in Computer Science and Engineering – Chandigarh University (CGPA: 7.02)	Aug 2025
St Soldier Devine Public School – 81 CGPA	Mar 2023
St Soldier Devine Public. School – 68 CGPA	Mar 2021

Technical Coursework

Data Structures & Algorithms, Operating Systems, DBMS, Computer Networks, Compiler Design, Software Engineering

Skills

Programming: C++, Java, Python, JavaScript
Core CS: Data Structures & Algorithms, OOPs, OS, DBMS, Computer Networks
Web Tech: HTML, CSS, Angular, Firebase, PHP, Tailwind CSS, WordPress
Tools: Git, GitHub

Certifications

Career Essentials in Generative AI – Microsoft (Apr 2024)
Python Programming – SoloLearn (Jul 2024)
Git & GitHub – Coursera (2024)
Web Development – Udemy (2023)

Projects

Voice Controlle Home Automation System

Voice commands are received through a voice recognition module or smartphone and transmitted to the Arduino. The Arduino processes these commands and activates the relay module connected to various household appliances. The appliances respond accordingly, turning ON or OFF based on the given voice instruction.

Sudoku Solver | C++

Built an optimized Sudoku Solver using backtracking and heuristics in C++, reducing solution time by 40% compared to naive methods.

Snake Python

Developed a classic Snake game in Python using Pygame with smooth movement and score tracking. Implemented food generation, collision detection, and responsive keyboard controls for gameplay. Demonstrated skills in Python programming, logic building, event handling, and game development. Mini Compiler

Hackathons & Competitive Coding

Participated in Smart India Hackathon 2024 & CU Hackathon
Solved 300+ problems on LeetCode (contest rating XXX)
Codeforces (max rating XXX), GFG contributor

Leadership & Volunteering

Class Representative – Coordinated between 70+ students and faculty
Kala-Connect Club – Organized leadership workshops
Volunteer – University Tech Fest 2024
